SYED MUHAMMAD HUZAIFA

Karachi City, Pakistan +92 332 1304560 syedmuhammadhuzaifa2000@gmail.com muhammadhuzaifa2000.github.io

PROFESSIONAL SUMMARY

Aspiring Automation & OT Engineer with hands-on experience in PLC programming, SCADA systems, and industrial automation. Currently working at Automators Pvt. Ltd. as a System Engineer. Skilled in integrating control systems, optimizing processes, and bridging IT with OT for reliable operations.

I bring a strong foundation in Industrial Electronics, backed by internships and projects

SKILLS AND PROFICIENCIES

Automation Systems (PLC, SCADA – Siemens TIA Portal, Step 7)
DCS Implementation & Process Control
Simulation & Modeling (MATLAB, LabView, Proteus)
Embedded Systems (Arduino, Microcontrollers)

COURSES & TRAINING

Control Systems & Automation

Core university coursework, with practical projects in PLC programming and SCADA design.

Instrumentation & Measurement

Hands-on academic and project experience with sensors, transducers, and real-time systems.

Power Electronics & Drives

Focused on applications in industrial automation and control.

Embedded Systems

Practical training using Arduino and related platforms.

Simulation Tools

Experience using MATLAB/Simulink, NI LabView, and Proteus for modeling and system design.

WORK EXPERIENCE

The Automators Pvt, Ltd **System Engineer**

Aug 2025 to Present

Oversee Honeywell DCS implementation projects *Project management and coordination*

The Automators Pvt, Ltd

Trainee Engineer

Apr 2025 - Jul 2025

Gained exposure to industrial instrumentation, panel design, and system documentation. Learned project execution standards, safety protocols, and troubleshooting techniques.

Pakitex (Pvt) Ltd.

Intern

Nov 2023 - Sep 2024

Worked on Project titled "Measuring Plywood Thickness Using Laser Triangulation Method."

Designed and implemented a real-time profiling system for plywood thickness measurement.

EDUCATIONAL BACKGROUND

NED University of Engineering

Karachi, Pakistan

Bachelor of Engineering in Industrial Electronics Oct 2024

Govt. College For Men

Karachi, Pakistan Pre-Engineering June 2018 Graduated with honors
